

Tee Blockers is a Men's League open to any golfer who has a GAO handicap registered with Harbourview Golf Club. The league will establish its own local golf rules regardless of the local rules indicated on the scorecard. All participants will be required to pay an Initiation Fee each year for the various competitions held throughout the year and the Year End Tournament. There will be a Participation Fee each day to cover the Game Payouts and the Proximity Payouts. Any concerns or grievances will be dealt with by the Tee Blocker Committee.

What Tees Do I Play From ??

Anybody playing Tee Blockers will be allowed to play from whatever Tee Blocks they feel comfortable with. But, you must stay on those Tee Blocks for the duration of the year if you want to be included in the Games. If you are unsure of which Tees to play from a good method would be to:

**Add your Age to your Handicap:
If the result is 90 or over you could play the Yellow Tees**

This is not a prerequisite but rather a highly recommended method to promote fair play amongst our fellow Tee Blockers

Tee Blocker Golf Rules & Regulations

- Lift Clean and Place will be allowed "Through the Green" during the year. Restrictions:
 - Ball cannot be moved more than 6"
 - Exceptions: Rocks or Roots
 - Ball cannot be moved from the Rough to the Fairway or from Fringe to Green
 - Ball cannot be moved in a hazard
 - Exceptions: Rocks or Roots
- All hazards are staked. Red and Yellow
- If there are no stakes, regardless of any local rule, the ball will be played as per the RCGA rules
- If a ball is hit into the woods which is not staked then it will be deemed lost and a provisional ball must be played. If the ball is found then it must be played from where it lies. If the ball is unplayable in the woods then the golfer may move the ball 2 club lengths from where the ball lies, no closer to the hole. He cannot play the provisional ball

"Gimmies" will be **Within the Leather** -- No Exceptions please

NEW RULES" - 2019

We have adopted all of the New Rules according to the RCGA and the GAO

*** NOTE: ***

There has been some misunderstanding regarding the rule where the golfer drops a ball in the middle of the fairway and counts 2 strokes instead of hitting 3 off the Tee. Please be advised that this is not one of the RCGA New Rules adopted in 2020 but rather a "Suggested Rule" which the RCGA is asking golf courses to adopt as a Local Rule.

Due to the confusion surrounding this rule **we will not be adopting it** in Tee Blockers

- Exceptions:
 - If a player loses a ball anywhere on the course other than in a hazard then he may drop another ball in the vicinity of where he lost his ball and count a 2 Stroke Penalty
